 - 1.5.2. It was famous for its temple to Diana(7th Wonder); Ephesus emerged as the religious center of all Asia; They had a stadium that held 50,000 spectators, where the riot regarding Paul & his friends broke out; Extraordinary miracles took place there(handkerchief, apron, etc.).
 - 1.5.3. Acts 19:11 “**Now God worked unusual miracles by the hands of Paul, so that even handkerchiefs or aprons were brought from his body to the sick, & the diseases left them & the evil spirits went out of them.**”

If a man is admitted into the bullion vault of a bank and told to help himself, and comes out with one cent, whose fault is it that he is poor?”**

When a timid old lady, during the great depression, approached the first desk she saw in an insurance office in Minneapolis, she was asked what she wanted. With trembling hand, she took from her well-worn purse an old policy and explained regretfully that she was unable to meet the current premium. She explained that it was hard for her to get work and what little she did get was hardly enough to clothe, feed her and keep a roof over her head.

After quick investigation, the clerk recognized that the policy was very valuable. He warned the old lady that she was making an unwise move to stop payment. Did not her husband have anything to say? It was his policy made out to her benefit, he explained. “My husband? Oh, he has been dead for 3 years,” she remarked sadly.

Immediately the company officials went into action. They soon discovered that she was indeed telling the truth. What she didn't understand was that the policy was her husband's and that **she was the beneficiary at his death**. They were thus obligated to refund the overpaid premiums plus the full amount for which the husband had insured his life in her favor. The money was **sufficient** to keep her in comfort the rest of her life.

Listen: The greatest life insurance policy of all time became due when Jesus Christ died on the cross! Thousands of people continue trying to **make payments on their own salvation** while all they need to do is **accept the immeasurable gift** that is theirs through the death and resurrection of our Savior.

To become the beneficiary of God's Life Insurance Policy, we need simply to acknowledge our need as sinners **and** thank Him for the gift of His only begotten Son who died on the Cross and rose again that we might have God's forgiveness.
