You get in & start sailing towards Monroe Ave. When it stops & turns, facing you again towards the church. 25 leaders now stand out front, & 2 of them come into focus. They are the key **religious & political** leaders of our valley. Your prophecy against them & their terrible leadership, & one falls over dead as you speak. Well, there’s our intro...

- 2.22. **Let's talk about stony hearts!**
- 2.23. **Dinosaur** – On September 1993 in South Dakota, Dinosaur hunter Michael Hammer was amazed at what he saw. Sticking out of the ground were the remains of a *Thescelosaurus*, a plant-eating dinosaur. The skeleton was almost complete. Scientists reported that inside the dinosaur's chest was a **stone heart** - the first **dinosaur heart** ever seen, about the size of a grapefruit.
- 2.24. **Rock in water** – Take a rock sitting for a long time sitting in water. Take it out & break it open. Dry inside. The water never penetrated it.

- 2.27. **How do you identify a heart of stone?**
- 2.27.1. **Sometimes it's easy to spot:** like the **Pharisees** who w/joy brought the woman caught in the act of adultery & couldn't wait to stone her.
- 2.27.2. **Sometimes it's difficult to see on the outside:** like those who come to church & even live a pretty clean life. Or believers who aren't evil or even immoral yet heir heart just feels cold.
- 2.27.3. **Here are some symptoms. Time for a check up:**
- 2.27.4. Lost compassion for the **sick**, the **hurting**, & for **sinners**.

- 2.27.4.2. **Compassion** is to be an identifying characteristic of our faith!
- 2.27.5. Lost desire to **grow & do** God's will.
- 2.27.5.1. As Christians we are in the process of being **changed & transformed** into the likeness of God.

- 2.30. (22-25) With this announcement the cherubim lifted their wings and the glory of the Lord left not only the **temple** but **the city itself**, hesitating briefly over the mountains East of Jerusalem (Olivet).
- 2.30.1. God had left His sinning people to the fate that, in their hardness of heart, they themselves had chosen.
 - 2.30.2. Lingered, hesitating, as if pleading what Jesus would later plead, standing in the same place, "**Lk.19:41-44**".
- 2.31. It's no coincidence that Christ ascended from this same mount.
